

SWKO, Inc. (Southwest Kansas Online) grew out of a recognized need for high quality, locally owned and operated, Internet access service for Southwest Kansas and the Oklahoma Panhandle. In fact, SWKO is now the ONLY locally owned provider in the High Plains!

SWKO is a company owned by a group of computer enthusiasts committed to providing the best Internet access. We have worked hard for the last thirteen years doing just that. That's probably why we have grown to be High Plains' preferred provider, using only word of mouth advertising!

SWKO has a Fiber Optic feed to the Internet backbone. This minimizes the chance of a network failure and improves your overall network performance.

SWKO, Inc. is the "one stop" shop for all your Internet needs. Let SWKO, Inc. get you and your company on the road to the information superhighway.

Thank you for making us what we are. We understand that without you we wouldn't have a business. If you have any comments or suggestions please email them to support@swko.net. Our telephone numbers are 620.626.7230 or toll free 888.826.8938.
